Impound Vehicle Obstructed VIN

Scenario

- Vehicle legally parked on the public way.
- Vehicle doors are locked.
- Plates are missing or do not match vehicle.
- Driver side front windshield VIN plate is visually obstructed.
- No indicators (note, signage, etc) are present to provide ownership of vehicle.
- No person present at scene to confirm ownership of vehicle or provide access to the interior of vehicle.

The Question

• Can you tow/impound the vehicle for confidential VIN check?

Comments

- Directives state you have to include the key or key fob with the tow report, which is not applicable since no one can provide this in this scenario.
- Impound or Tow Report
 - $\circ~$ Either report can be used, unknown which is the correct report
 - There has been instances of successful vehicle removals utilizing either Impound or Tow Report, check with your district's operating procedure
 - Possible statute MCC 9-76-160(a)(7) It is unlawful for any person, in an effort to hinder a peace officer from obtaining the registration or plate number for the enforcement of a violation of the Illinois Vehicle Code ... or to knowingly cause such plate to be obstructed ...
 - Must include specific articulable facts evidencing a specific effort to hinder a peace officer from obtaining the plate number
 - Special Order S07-03-05
 - Narrative should also include applicable portion of Special Order S07-03-05
- <u>Case Reporting</u>
 - $\circ~$ Still is a question as to the need of documenting this on a Case Report
 - I personally would document this on a case report, so it can be digitally searched, where as an Impound/Tow Report is still on paper.
