

# FTO Program Improvements

I have kept a perpetual list of suggested improvements requested.

- [FTO Program Improvements List](#) (redirect to department login for another level of security)
  - The below document resides on official department contracted servers.
  - Only department members have access to the document.

Anonymous comments listed below will be appended to the document located at the link above.

## FAQ

- Why did you do it this way? Why don't you just list everything here?
  - *I don't want to jeopardize the CPDWiki project by publicly displaying department issues. This method will not discredit or reflect poorly on the Department. Also, this places a level of security where only department members will have access.*

What improvements should be made to the FTO program?
