

Plate Owner

~~DISCUSSION~~

The Question

- Who owns the Illinois license plate?

Additional Information To Consider

- *In Illinois, license plates belong to an owner, not the vehicle. Therefore, you cannot transfer ownership of license plates when you sell a car or transfer a title. You can only transfer license plates to another vehicle you own.*

- **Do not enter “real name”, any name will do**
- **No registration or login necessary to comment - free for all**
